Presidents Message

Dear Neighbors,

As the leaves turn and we welcome the crisp days of fall, it's a wonderful time to reflect on the warmth and connection we share in Falconridge and Castleridge. Fall brings us together – whether through community events, helping a neighbor, or simply enjoying the beauty of the season.

Our association is busy planning programs and activities to keep our community engaged and supported as we head into the cooler months. I invite you to take part, lend a hand, and share your ideas, please write to me personally at dhruvfcc@gmail.com. Together, we can continue to make Falconridge and Castleridge a place we are all proud to call home. Its an honour to serve the communities, and the support from the residents is outstanding

Facility Updates

We have upgraded the lights in our halls to be modern LEDs. This is not only brighter, which leads to higher visibility and safety but is also greener and more energy efficient. The front of the building is bright too! We have a new main entrance sign.

Not sure if you have caught our south side of the hall, but last year we went solar!

This year was a big year the community supported local artists. We updated the big mural outside on the south facing wall, and in the interior hall there is a new instagram worthy mural.

Programs and Events:

For many years now FCCA has offered the 55+ Social Club to FCCA senior members. Where they meet every Monday (not stat holidays) to hang out. They do many events throughout the year including bingo, tournaments, potlucks, and many more!
